district in December last;

(b) if so, what were the reasons for their death; and

(c) what safeguards have been taken to avoid such unnatural death of birds?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) and (b) As reported by the State Government 12 saras cranes died in December, 2000 consuming pesticides treated seeds sown in agricultural fields.

(c) The steps taken to prevent such unnatural deaths are as follows:

(i) To avoid poisoning by pesticides, awareness is generated amongst the farmers for using Bio-pesticides and non-poisonous chemicals in their fields.

(ii) The forest field staff have been instructed to maintain vigil in sensitive areas.

(iii) The farmers have been advised to cover the soil soon after sowing.

(iv) Farmers have been advised to maintain a waterhole for use by birds.
